

Here Is a Sneak Peek Inside Temerario

The Black Ant team brings Mexican street food to Chelsea

by Nick Solares, February 25, 2016

Here is a look around Temerario, opening Friday in Chelsea. The restaurant is the latest venture from the **Jorge Guzman** Hospitality Group (Ofrenda, Gardënia, **Black Ant**) and focuses on Mexican street food. The chef is Mario Hernandez, cocktails are by Christopher Reyes, and the room speaks for itself. Take a look around the restaurant in the photos below, and if you stop by on Friday, do **let us know what you think**.
